Less worry means less stress!

Let us tailor a specific service to your needs, allowing you to focus on the other important aspects of your business.

We provide a comprehensive range of linen services to suit the healthcare and hospitality industries, encompassing hospitals, restaurants, cafés, hotels, function centres and community and aged care centres.

Our customer service is unsurpassed. Our reputation is not only measured by the quality of linen we provide, but the result of being a customer-driven company that tailors its products and services to suit the needs and requirements of each and every customer.

We are committed to supplying our clients with the best possible service and short lead times, with very competitive pricing.

Call Us Today

Talk to one of our friendly sales representatives today about how we can service your company and overcome the stresses involved with organizing regularly serviced, fresh clean linen.

Benefits of using our services

Whether your business is in the commercial, healthcare, hospitality or food processing industries, we can tailor a service specifically for you, incorporating;

- A rental program that will streamline your cash flow
- Regular delivery and pick-up times
- Quality linen in various fabrics, sizes and colours
- No upfront expenditure
- Service of customer owned linen

Linen Services Tasmania maintains its own fleet and team of drivers so you can rest assured that your delivery is on time every time!
